

In doubt, in dread, in ignorance, unanswered,  
Over and over, with the dark before,  
The dark behind it . . . and still live

Unfortunately for a generation needing assurance and security the muted message of hope and faith of the earlier ending is thus negated. It at least speculated:

. . . we'll see by and by. . .  
We'll know. We'll know.

in love!
